AERA Online Paper Repository

AERA is providing open access to the AERA Online Paper Repository. Each presenter at the 2015 Annual Meeting may elect to upload to the Online Paper Repository their full text. For scholars, students, and other users, the Repository:

- Allows sharing of presentations in a new format and reaching a broader audience than those attending the session
- Enables reporting of subsequent publication of the research by allowing future addition of citation information, a journal URL, or a digital object identifier (DOI)

Presenters retain copyright of their full text. If presenters did not opt to participate in the Repository before the Annual Meeting, they may upload directly to the Repository until May 15. Users of the AERA Online Paper Repository are informed of appropriate citation and use of Repository content.

For more information about participating in and using the Repository, visit www.aera.net/repository.
