Submitters, Reviewers, and Program Chairs

AERA wishes to extend appreciation to all submitters, reviewers, division program/section chairs, and SIG chairs/program chairs for making the 2015 Annual Meeting a success. Without the hard work, support, and dedication from each of these individuals, which comprise the backbone of the AERA Annual Meeting, participants and attendees would not be able to benefit from the quality of the presentations and richness of the interaction.

A complete listing of the 2015 Program Committee (with division section chairs) is provided above. A listing of SIG chairs and program chairs may be found on the AERA Annual Meeting website.

A special thank you to all the reviewers who served on expert peer review panels and contributed importantly to the work of authors and the culmination of a vibrant meeting. A complete listing of all reviewers is available on the AERA Annual Meeting website.
