Submitters, Reviewers, and Program Chairs

AERA wishes to extend our appreciation to all submitters, reviewers, Division program/section chairs, and SIG chairs/program chairs for making the 2009 Annual Meeting a success. Without the hard work, support, and dedication from each of these individuals, which comprise the backbone of the AERA Annual Meeting, participants and attendees would not be able to benefit from the quality of the presentations and richness of the interaction. A special thank you to all the reviewers who volunteered to participate in the peer review process and contributed importantly to the work of authors and the culmination of a vibrant meeting.

A complete listing of the 2009 Program Committee (with Division section chairs) is listed above. A complete listing of all reviewers by Division and SIG is available on the AERA Annual Meeting website at http://www.aera.net.
