Educational Researcher publishes scholarly articles that are of general significance to the education research community and that come from a wide range of areas of education research and related disciplines. ER aims to make major programmatic research and new findings of broad importance widely accessible. ER encourages submissions of three types of research articles—feature articles, reviews/essays, and briefs. Technical comments may also be submitted. In addition, ER publishes commentaries about the demarcations of policy forum, letters, and books et al. Visit http://er.aera.net/ for manuscript submission details and instructions.

Educational Researcher (ISSN 0013-189X) (J91) is published nine times annually—in January-February, March, April, May, June-July, August-September, October, November, and December—on behalf of the American Educational Research Association by SAGE Publications, Thousand Oaks, CA 91320.
