

Call for Nominations

14th Annual *Brown* Lecture in Education Research

DEADLINE: February 15, 2017

The American Educational Research Association (AERA) seeks nominations for the 14th Annual *Brown* Lecture in Education Research. This public Lecture features important research that advances understanding of issues related to equality and equity in education. The Lectureship was inaugurated in 2004 to commemorate the 50th anniversary of the *Brown v. Board of Education* decision, in which the U.S. Supreme Court took scientific research into account in issuing its landmark ruling. The Lecture will be delivered in October 2017 by a distinguished scholar notable for producing significant research or lines of research related to equality in education. The lecturer receives a \$1,000 honorarium and travel expenses to Washington, D.C.

Members of the education research community are encouraged to submit nominations. All nominations must include the following:

A brief curriculum vitae/resume highlighting scholarship and research relevant to the Lectureship (no longer than two-pages).

A one-page statement on the nominee, the nominee's research, and how the nominee's research meets the objectives and purposes of the Lectureship.

Nominations can be submitted by e-mail to brownlecture@aera.net

The *Brown* Lecture Selection Committee is comprised of the AERA President, President-Elect, Chair of the Social Justice Action Committee (SJAC), Executive Director, Diversity Officer, and two additional SJAC members. The chair of SJAC chairs the selection process.
