Educational Researcher (ISSN 0013-189X) is published monthly, except bimonthly in January-February, June-July, and August-September, by the American Educational Research Association, 1230 17th St., NW, Washington, DC 20036-3078. This journal is printed on acid-free paper. No written or oral permission is necessary to reproduce a table, a figure, or an excerpt of fewer than 500 words from this journal, or to make photocopies for classroom use. Authors are granted permission, without fee, to photocopy their own material. Copies must include a full and accurate bibliographic citation and the following credit line: Copyright [year] by the American Educational Research Association; reproduced with permission from the publisher. Written permission must be obtained to reproduce or reprint material in circumstances other than those just described. Please direct requests for permission or for further information on policies and fees to the AERA Central Office (e-mail: permissions@aera.net). Copyright 2003, American Educational Research Association. Annual membership dues of AERA are $45 (students $20) of which $12 is in payment of a subscription to the Educational Researcher. Nonmember subscription price: Individuals: 1 year $48. Institutions: 1 year $110. There is a surcharge for foreign subscriptions. For subscription information or change of address, write to AERA Subscription Department, 1230 17th St., NW, Washington, DC 20036-3078; fax 202-775-1824. Enclose an address label from a recent issue or a membership subscription number. Allow 6 weeks to complete change. Subscription claims for undelivered copies will be filled if received within 4 months (domestic) or 6 months (foreign) of the month of publication. Single copies of current and most back issues are $9 plus $3 for postage. If an invoice is required, there will be an additional fee of $5. Out-of-print issues: Microform, reprint, and electronic distribution available through ProQuest, 300 North Zeeb Road, Ann Arbor, MI 48106, 1-800-521-0600 (in Canada: 1-800-343-5299). Periodicals postage paid at Washington, DC, and additional mailing offices. POSTMASTER: Please send address changes to Educational Researcher, 1230 17th St., NW, Washington, DC 20036-3078. Printed in the U.S.A.
The purpose of this training session is to introduce or review the basic elements of confirmatory factor analysis, including structure coefficients. The session presumes only familiarity with commonly used elementary statistics, such as correlation. Some related topics and presenter information can be found at http://www.coe.tamu.edu/~bthompson.
